Instructional Technologists at Liberal Arts Colleges: Facilitating Innovation  
June 14-18, 2005 - Denison University

A large, 3D-rendered puzzle piece is shown in the lower-left quadrant of the page. The piece is white with a soft shadow underneath, giving it a sense of depth. It is slightly offset from the grid of other puzzle pieces, which are only shown as outlines. The overall background is a light gray grid of puzzle pieces.

This MITC event is made possible by generous support from  
The Andrew W. Mellon Foundation.
