

Flipping The Classroom With Video Lectures

Nestor Matthews, Department of Psychology, Denison University

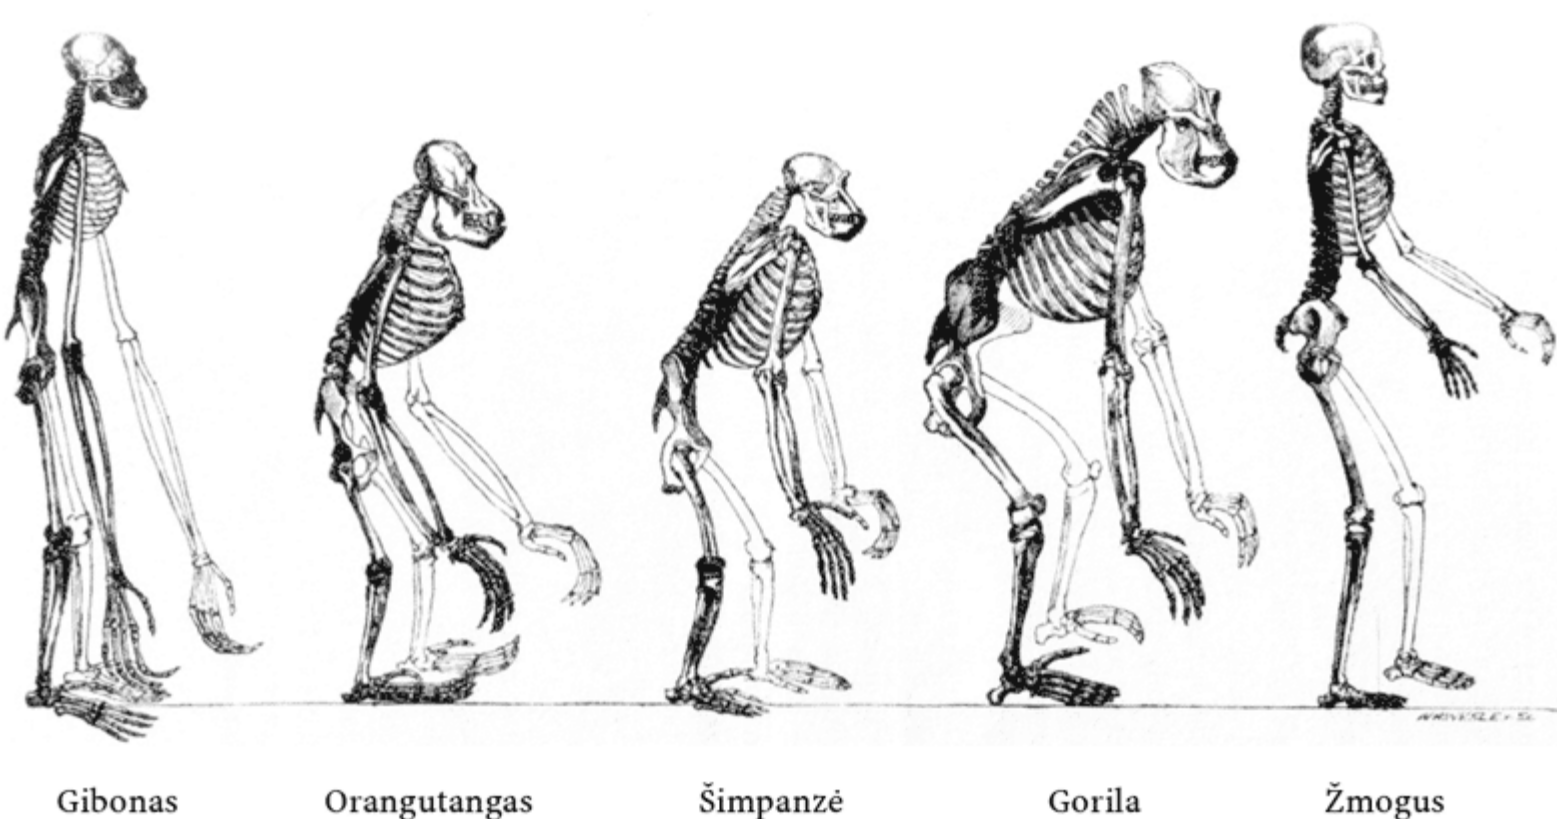

Video: <http://personal.denison.edu/~matthewsn/flippingtheclassroom>

Poster: <http://personal.denison.edu/~matthewsn/nitop2014>

Opportunities

1. Facilitate Knowledge Acquisition

2. Create A More Equitable Learning Landscape

3. Facilitate Learning-By-Doing class time = rehearsal time

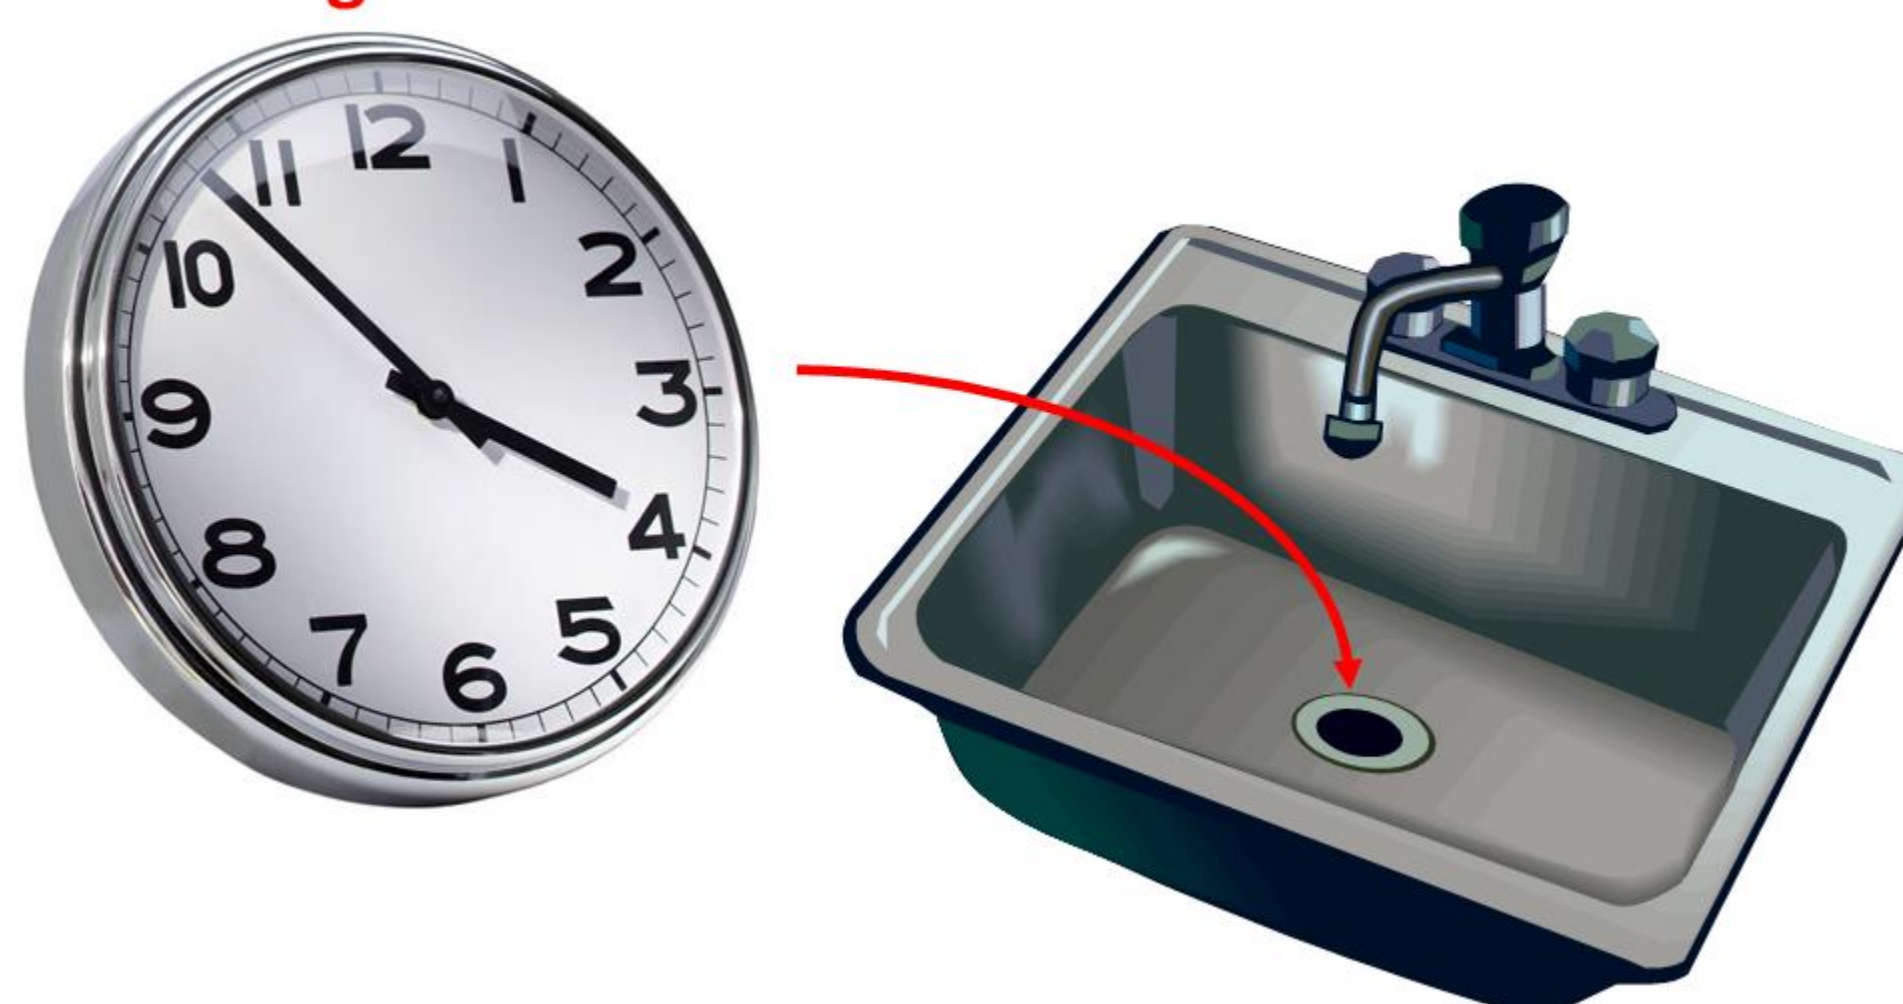

4. Improve Time Management Across the Semester

Challenges

1. Huge Time Sink

2. Copyright Issues

Acknowledgments
